To Honor The Flag.

The Superintendent of Public Instruction Davis has sent the following circular letter to all the school principals in the Islands:

"Dear Sir:—June 14th being the 128th anniversary of the adoption of the stars and stripes as the flag of the United States, the Department of Public Instruction of this Territory respectfully requests that the day be observed with appropriate exercises. The Department suggests the following programme:

Salutation of the flag, Song: "America".... By the School Address: "History of the flag".... By the Principal Song: "Star Spangled Banner".... By the School Recitation: "The American Flag".... By Pupil Song: "Battle Hymn of the Republic".... By the School "This is simply suggestive; each principal is at liberty to make his own programme. This program will form a part of the regular school work of the day. (Signed) JAMES C. DAVIS, Superintendent of Public Instruction.
